GUNATHEETHA

SHIFTING EARTH.
SHAPING FUTURE.

SOLUTIONS FOR EVERY SCOOP AND LOAD.

I Hydraulic Excavators I Wheel Loaders I Motor Graders I Dozers I Vibratory Compactors I Rock Breakers I
I Tele Handlers I Skid Steer Loaders I

Reliable. Efficient. Productive.

GUNATHEETHA

Gunatheetha – Shifting Earth. Shaping Future.

Gunatheetha Earthmoving Solutions Pvt. Ltd., established in 2019, is into providing professional solutions for Earthmoving Contractors, Infra Developers, Roads, Railways, Ports & Building Contractors and Cement Industry. We are into supply of premium brands of Heavy Earthmoving and Mining Equipment.

Gunatheetha has partnered with Global Brands for supply of Heavy Equipment like Hydraulic Excavators, Wheel Loaders, Motor Graders, Dozers, Vibratory Compactors, Rock Breakers and Material Handling Equipment like Tele Handlers and Skid Steer Loaders.

Gunatheetha is Authorised Dealer for :

- LiuGong India Pvt. Ltd.
- Epiroc Mining India Pvt. Ltd. - D and A Heavy Industries Rock Breakers
- JK Tyre Industries Ltd.

Being Authorised Dealer for these brands, we supply Heavy Equipment, Genuine Spare Parts and provide on-site Product Support Services through our trained service professionals. We are also into Heavy Equipment Rentals.

Gunatheetha is specialised in supply of equipment for tough applications like Crushers, Surface and Underground Mines, Roads, Railway Works. We also supply OTR Tyres for various tough applications.

GUNATHEETHA

At Gunatheetha Earth Moving Solutions, we don't just supply equipment to move the surface, we lay the groundwork for progress. With years of professional expertise on Heavy Earthmoving & Mining Equipment, we provide end-to-end solutions tailored to Small, Medium & Large Infrastructure Developers, Mining, Road, Railway, Ports Contractors and Cement Industries.

Sustainable Solutions: We at Gunatheetha are environmentally conscious and committed for reduction of CO_2 emission with supply of many Lithium Iron Phosphate Battery operated equipments. We were one of the first to supply Battery Operated Hydraulic Excavator and Wheel Loader in India. EV machines supplied by us have significantly contributed for reduction of CO_2 emission (which can be measured in **'Millions of Tree Equivalent'**).

We are one of the few Companies having IGBC **(Indian Green Building Council)** Certification in India.

Safety First: We at Gunatheetha have Zero-Compromise for safety protocols. Safety is embedded in our day-to-day activities with mandatory weekly safety oath at all our offices. The equipment supplied by us go through safety checks and carry all the required safety caution labels. Our staff are trained and periodically updated on safety procedures which are mandatorily followed at work.

Learning & Development: We at Gunatheetha believe in Training and constant Up-Skilling. Training benefits customers by improved machine uptime, enhanced machine productivity, keeps the machines and working sites safe and also contributes for shaping better future.

Gunatheetha supplies the most reliable machinery on the planet, and we know that this must always be matched with an equally high quality, reliable and efficient product support team. Our trained team are passionate about our brands and are dedicated to support our customers.

We have one of the best in the industry repair and rebuild workshop for Heavy Equipment. Our dedicated Learning & Development Center and Trainer Constantly educate our team and our customers' site team for continuous learning and up-skilling to get best out of the equipment we supply.
